### Arts Council News

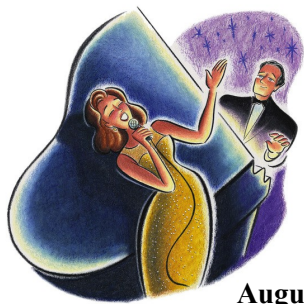

The Quail's Nest has new kitchen cabinets, countertops, stove and dishwasher! Pictured, Brian Mapplebeck checks out the oven. Thanks to installer Trevor Eckstein, donor Colleen Polychroniou, and operations chair Steve Staresina! A new fridge is on its way....

The Board recently approved a Capital Improvement Plan including the following renovations: repairing broken windows in Big Blue, sanding and painting both bay doors on Big Blue, and installing two insulated rollup doors with windows in the Studio building (similar to the Firehall Bistro). VP Darryl MacKenzie, on behalf of the Board is seeking matching funding for the rollup doors through the Vancouver Foundation. Keep you fingers crossed!

The plan also includes landscaping the exterior: removing Argo fixtures from the property, removing the tarmac, grading, terracing along the south side of Big Blue, and installing an absorbent parking surface. Rotary Auction funds, held in reserve, will be used to pay for part of this cost.

The Jenavieve Moore Fundraiser concert was standing room only and netted more than \$1200 towards the opera student's tuition at Guildhall in London, in addition to the \$1000 donation from the OCAC. Missed it? Watch for it on Channel 18. Full article and photos online at [www.OliverArtsCouncil.org](http://www.OliverArtsCouncil.org)
