OLIVER COMMUNITY ARTS COUNCIL

Membership Application Form

Membership in the Oliver Community Arts Council helps us achieve our constitutional goals of increasing the public's understanding and appreciation of the arts through a broad range of artistic activities, performances, and educational opportunities.

Membership entitles you to a forum for co-operation and networking within the arts community, *a platform* for promoting and advocating for the arts in the wider community, *a right to vote* at general meetings and be elected as a director, *a subscription* to the Creative Minds newsletter, and *invitations* to special events.

For *groups*, there is also opportunity for *financial support* from the OCAC. Both *businesses* and *groups* receive a variety of *advertising and promotional opportunities*.

And of course, members catch hold of that *creative spirit* that makes us feel great about the arts!

Thank you for supporting your Oliver Community Arts Council!
