### Arts Council News

If you've been by the Quail's Nest lately, you'll have seen it was "all shook up" with the latest capital improvement: a new "crush" parking lot. Irrigation and electrical conduits have been installed to the front of the property. Thanks to Jack Bennest (Operations) and Johnson Excavating!

Vice President Esther Brown is moving to Nanaimo on August 15. The arts council thanked her with a card and gift from Paw Prints Studio & Gallery. Esther served as Board member, Vice Pres, and President for several years. Bringing her business acumen from Handworks Gallery, she moved the council into a more professional model of administration, and initiated a process of annual Board and programme review. We will miss her, but wish her well in a new artsy community!
