This is an application form ONLY. Because we must limit the event to 24 display artists and 10 wine barrel artists, completing this form *does not guarantee inclusion* in the Wine Capital Art Walk. The committee will make a joint decision on participants based on the following criteria:

- a) the overall art walk represents the widest possible variety of artistic media
- b) artists who have not previously appeared in the Art Walk may be given preference over returning artists, so as to have the fullest possible inclusion and variety
- c) artistic merit
